7. **OFFICERS' REPORTS**

(a) **City Manager**

- **Pump Well 4 Replacement**

Mr. La Venia requested approval for a proposal to replace broken Pump Well 4 from Earl's Well Drilling and Pump Service Inc., at an estimated costs of \$9,671 inclusive of parts, labor and crane use.

Mr. Gerken referred to the statutory requirements and the city's existing procurement policies and procedures for projects and recognized the subject request to be an emergency.

Following extensive discussions, **a motion was made by Commissioner Kelly and seconded by Commissioner Cheshire that the city commission approve staff's request to authorize the purchase of a Pump Well to replace Pump Well 4 from Earl's Well Drilling and Pump Service Inc. at an estimated cost of \$9,671 from the water utility emergency fund.** (Due to the emergency purchase, the city commission waived the existing procurement policies and procedures.)

- **Utilities Location and Relocation – US 466A**

Mr. La Venia gave a report on the request from Booth Ern Staughan Hiott Inc. (BESH), the city's engineers, to pave a portion of the US 466A corridor requiring the city to bear the costs to move the utilities at a cost to not exceed \$1,450 payable to the engineers who would be responsible to bear the cost to relocate same. He noted the options to declare a hardship by sending a letter requesting that Lake County bear the location costs and if that is denied, for the county to possibly match shared costs at 50/50.

Mr. Rector identified the current construction plans already prepared; addressed the need for the city to locate the water and sewer lines and all the utilities within US 446A and Century Avenue corridors, and noted that any planned obstructions would need to be moved. He explained that the county would need to be informed as completion of the subject project is required within ten days. Mr. Rector described the work involved and explained that once the construction plans are complete and have been funded, the utilities would need to be relocated.

On motion of Vice Mayor Goldberg, seconded by Commissioner Cheshire and unanimously carried, the city commission approved staff's request to authorize the payment of \$1,450 to Booth Ern Staughan Hiott Inc. to locate the water and sewer lines and utilities along the US 466A corridor, within US 1A to Century Avenue, and pave same.

- **The Villages of Fruitland Park Update**

Mr. Rector referred to a the meeting he had earlier this day among Messrs. La Venia, Greg A. Beliveau, LPG Urban and Regional Planners, Inc., (city's engineers) and The Village representatives and gave a report on The Villages of Fruitland Park project which is underway. Mr. Rector explained that the waterline extension portion will be borne at a cost extended by the city to BESH for \$100,655 and the water plan (ground storage and well system) at \$196,000 which will be due and payable and reimbursable once the city covers same; thus, The Villages will be paying for planners fees and other funds extended by the city.

Mr. Rector explained The Villages have commenced with the formal application process for comprehensive plan amendments with Notice of Proposed Change (NOPC) and rezoning as well as a clearing of development permits and explained that a schedule of submittals and meetings with The Villages of Fruitland Park has been prepared up to May 2014.

- **City Treasurer and City Clerk Evaluations**

Mayor Bell reminded the city commission members to submit their evaluations for the city treasurer and city clerk.

- **Commission Workshop**

Mr. La Venia announced the Workshop Session in February 2014 regarding a Water Conservation presentation by Mr. Joe Hill, citizen and former South West Florida Water Management District board member, who will be introducing experts before the city commission.
