09. NEW BUSINESS

1. RD Yoder stated we have a sand volleyball court and she has purchased a new net and new balls. She is requesting permission to do a free volleyball night to get the idea of a volleyball program started.

She further stated a resident called her and asked about starting a fun swim team. The problem is there are no lanes in the pool. The resident's previous programs have attracted 100 kids which would bring in \$3,000 in revenue. The ages are 4 - 12 and they learn how swim meets work. RD Yoder is requesting to put in five lanes to accommodate this idea. Total cost for the lanes would be under \$4,000.

Mayor Bell noted the installation of lanes had been looked at before.

RD Yoder stated additional lanes would also increase the lap swim being offered.

Commissioner Cheshire questioned if 100 kids could really be expected. RD Yoder stated we have better relationships with the schools so that improves our pool of kids from which to draw.

Mayor Bell suggested bringing back quotes on having the lanes installed.

Commissioner Gunter noted he recently saw a training session for that age group for learning how to do marathons. Many kids were participating.

Mayor Bell asked how Fruitland Park Days are coming. RD Yoder updated everyone on the events and acts she has scheduled.

2. PC Isaacs provided additional information regarding an officer at the elementary school. He stated he had begun this program at the request of our school principal. The School Board then picked up the officer cost for the month of January. We kept an officer there through mid-February. Currently we are reviewing "neck alarm" systems and other security ideas. Chief Isaacs noted he may need some funds added to the overtime budget at the end of the year. At this time, we will not schedule an officer to be at the school full-time. Instead, we will be parking a spare squad car on sight during the day. Also, the principal and staff have the direct phone lines to members of our Police Department. We are only a block away.
3. Approved 12% retroactive pay as Acting City Manager for City Clerk. Mayor Bell shared information from the memo prepared by the City Treasurer. Mayor Bell stated 15% had been suggested at one meeting.

Commissioner Cheshire questioned if there was money left over from Ralph leaving to cover this. CT Michaud stated giving the 15% may leave the department a couple hundred short.

Commissioner Gunter moved and Commissioner Cheshire seconded to give 12%. The motion carried with all Commissioners voting aye.
