

QUESTIONS AND ANSWERS

Invitation to Bid 2021-02– Baffle Box Mirror Lake

Question: *On page 68 of 430, it starts over with the bid certification form and on page 77 of 430 there is a form with line items and quantities to fill out unit pricing. Is this a lump sum bid or do I need to fill out that form with quantities and unit pricing?*

Answer: The contract will be a lump sum contract, but the contractor still needs to fill out quantities and unit pricing to get the final lump sum bid number.

We do this so that if there is unforeseen work, we have a baseline to judge a possible change order.
