

ADDENDUM

Request for Qualifications 2023-01 Construction Management Services “At Risk” for New Public Safety Complex

QUALIFICATION STATEMENT FORMAT - PROJECT EXPERIENCE

Subsection II.D., changed to read:

List the projects for which your firm has provided/is providing construction management and/or general contracting services, which are similar in size, scope, and purpose relative to this project. ~~List all construction projects contracted within the last ten years.~~ In determining which projects are more related, consider: related size and complexity; how many members of the proposed team worked on the listed project; and how recently the project was completed. List the projects in priority order, with the most related project listed first. For each of the listed projects, provide the following information:

Subsection II.D.2., changed to read:

Please indicate what experience the firm, its subconsultants and proposed staff, have had with ~~municipal library and municipal building~~ projects.
