B. The Hawthorns – Annexation, Comp Plan Amendment, Rezoning, Planned Development, Unity of Title Alternate Keys: 3884325 & 1699649)

The subject property consists of two properties; a 4.57-acre parcel (Alt Key 1699649) in the city limits with frontage on CR-466A, developed with the Burke's BBQ restaurant and an office building along with a 14.98-acre parcel (Alt Key 3884325) to the north of the existing restaurant in Lake County developed with a landscaping business and nursery. The applicant is requesting to annex the 14.98-acre parcel (Alt Key 3884325) into the city limits and add it to the existing Burke's BBQ parcel (Alt Key 1699649) to allow construction of a mixed-use project consisting of 240 multi-family apartments, associated recreation and 2.71 acres of general commercial. The existing Burke's Restaurant will be demolished to allow construction of the development.

A companion small-scale comprehensive plan map amendment is requested for the northern 14.98 +/- acre subject property amending the future land use from Lake County Rural to Multi-Family High Density (15 units/acre). The applicant is proposing to keep the zoning as C-2 in the front parcel along 466A, identified as alternate key 1699649, and change the zoning from Lake County Agricultural to PUD for the rear [northerly] parcel (alternate key 3884325). The concept plan shows the location of the multi-family units and residential supporting facilities including a community building with leasing office, pool, located adjacent to CR-466A with commercial lots along CR 466A. The proposed density of the PUD is 15 units per acre.
