## Digital Catalogs

### OverDrive®

1. OverDrive is an ebook, audiobook and movie-streaming service with thousands of titles available. Read on your computer or portable device. And no late fees - ever! Libby is OverDrive's newer service with the same collection of ebooks and audiobooks as OverDrive, but organized in a more attractive way.

Apps available for both Overdrive and Libby for iOS (Apple) phones/tablets and Android phones/tablets. Overdrive is also available on Windows and Kindle devices.

### Flipster®

2. Flipster is a digital magazine catalog with dozens of titles. Read on your computer or portable device. No checkout limits. No waiting periods. And no late fees - ever! Available 24/7.

App available for iOS (Apple) phones/tablets, Android phones/tablets, and through our unique online link for Kindle devices.

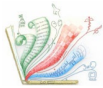

3. Ebooks, digital puzzles & games, National Geographic videos and more for grades K-6. No checkout limits. No waiting periods. And no late fees - ever! Available 24/7.

App available for iOS (Apple) phones/tablets, Android phones/tablets, and Kindle.

## Reference

Florida Electronic Library

4. A state-offered collection of free databases and live reference services available to all Florida residents, and administered by the Florida Division of Library and Information Services, Florida Department of State.

App available for iOS (Apple) phones/tablets and Android phones/tablets.

## Early Childhood Education

5. ABCmouse.com is an educational website that provides online learning activities for kids aged 2-6 years (preschool to kindergarten level). **This service is only accessible within libraries.**

App available for iOS (Apple) phones/tablets, Android phones/tablets, and Kindle, with library wifi connection.

## Lifelong Learning

### pronunciator:)))

6. Pronunciator is the world's largest language learning service, with over 100 languages! They offer self-directed lessons, live teachers, music, movies and more. ESL lessons and U.S. citizenship practice tests are also available through this service.

App available for iOS (Apple) phones/tablets, Android phones/tablets, and Kindle.

## LinkedIn Learning

7. LinkedIn Learning offers video courses taught by industry experts in software, creative, and business skills. It is a subsidiary of LinkedIn. Users have access to over 16,000 courses in 7 languages. Certificates of course completion are also available.

App available for iOS (Apple) phones/tablets, Android phones/tablets, and desktop apps.

## Genealogy

### ancestry library edition

8. Ancestry (Library Edition) offers resources for genealogical research, including U.S. Census records, military records, and the Social Security Death Index. This service is accessible within libraries, and temporarily accessible outside of libraries due to COVID-19. The public will be advised if/when this resource returns to being only available inside libraries.

### HERITAGE QUEST ONLINE

9. HeritageQuest offers federal censuses, family genealogies, local history, tax lists, land records, birth, marriage, and death records.

## Multi-Purpose Resources

10. AtoZdatabases is ideal for sales leads, mailing lists, market research, employment opportunities, or finding friends and relatives.

App available for iOS (Apple) phones/tablets.
