**Section 16. Other Municipal Facilities/Services.** The City hereby agrees to provide, either directly or through its franchisees or third party providers, police and fire protection, emergency medical services, and solid waste collection, disposal, and recycling services to the Property under the same terms and conditions and in the same manner as are afforded to all other residential or commercial property owners within the City, whichever is applicable.

**Section 17. Environmental Considerations.** The Owner agrees to comply with all federal, state, county, and city laws, rules and regulations regarding any environmental issues affecting the Property.

**Section 18. Signage.** Owner shall submit a master sign plan as a component of the final site plan (i.e., construction plan) application for the Property. Such plan shall be in compliance with all applicable regulations contained within the City of Fruitland Park Land Development Regulations, unless City grants a waiver or variance pursuant to the City's Land Development Regulations. Alternatively, the Owner, in the Owner's discretion, may apply to amend the PUD to incorporate a Master Signage Plan at the time that the Owner desires to install signage at the development.

**Section 19. Title Opinion.** Owner shall provide to City, in advance of the City's execution of this Agreement, a title opinion of an attorney licensed in the State of Florida, or a certification by an abstractor or title company authorized to do business in the State of Florida, showing marketable title to the Property to be in the name of the Owner and showing all liens, mortgages, and other encumbrances not satisfied or released of record.

**Section 20. Compliance with City Laws and Regulations.** Except as expressly modified herein, all development of the Property shall be subject to compliance with the City Land Development Regulations and City Code provisions, as amended, as well as regulations of county, state, local, and federal agencies. All improvements and infrastructure shall be constructed to City standards.

**Section 21. Due Diligence.** The City and Owner further agree that they shall commence all reasonable actions necessary to fulfill their obligations hereunder and shall diligently pursue the same throughout the existence of this Agreement. The City shall further provide all other municipal services to the Property as are needed by Owner from time to time in accordance with the City's applicable policies for the provision of said services.

**Section 22. Enforcement/Effectiveness.** A default by either party under this Agreement shall entitle the other party to all remedies available at law. This is a non-statutory development agreement which is not subject to or enacted pursuant to the provisions of Sections 163.3220 - 163.3243, *Florida Statutes*.

**Section 23. Governing Law.** This Agreement shall be construed in accordance with the laws of the State of Florida and venue for any action hereunder shall be in the Circuit Court of Lake County, Florida.

**Section 24. Binding Effect; Assignability.** This Agreement, once effective, shall be binding upon and enforceable by and against the parties hereto and their assigns. This Agreement shall be assignable by the Owner to successive owners. Owner shall, however, provide written notice to the City of any and all such assignees. The rights and obligations set forth in this Agreement shall run with the land and be binding on all successors and/or assignees. Owner consents to the placement of a claim of lien on the Property upon default in payment of any obligation herein without precluding any other remedies of City. The parties hereby covenant that they will enforce this Agreement and that it is a legal, valid, and binding agreement.

**Section 25. Waiver; Remedies.** No failure or delay on the part of either party in exercising any right, power, or privilege hereunder will operate as a waiver thereof, nor will any waiver on the part of either party or any right, power, or privilege hereunder operate as a waiver of any other right, power, privilege hereunder, not will any single or partial exercise of any right, power, or privilege hereunder preclude any other further exercise thereof or the exercise of any other right, power, or privilege hereunder.

**Section 26. Exhibits.** All exhibits attached hereto are hereby incorporated in and made a part of this Agreement as if set forth in full herein.

**Section 27. Notice.** Any notice to be given shall be in writing and shall be sent by certified mail, return receipt requested, to the party being noticed at the following addresses or such other address as the parties shall provide from time to time:

Entire Agreement.** This Agreement sets forth all of the promises, covenants, agreements, conditions, and understandings between the parties hereto, and supersedes all prior and contemporaneous agreements, understandings, inducements or conditions, express or implied, oral or written, except as herein contained. However, the failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve Owner from complying with the law governing said permitting requirements, conditions, terms or restrictions. As it relates to the Property, this Agreement replaces the Master Development Agreement dated June 8, 2015 adopted pursuant to Ordinance 2015-021.

**Section 29.
