

FRUITLAND PARK POLICE DEPARTMENT

Chief Michael A. Fewless

ATTEMPT TO IDENTIFY

The Fruitland Park Police Department is attempting to identify the subject pictured below. On September 15th, this subject shot at the victim's front passenger tire, using a .40 caliber handgun, causing the tire to blow out. The motorcycle fled the scene after the firearm was discharged. The tag for the motorcycle is unknown, however, the tag is possibly attached with pink or orange zip ties. The driver of the motorcycle is a male, possibly white or Hispanic, approximately 5'11", thin build, wearing a blue in color full face helmet, black jacket, black pants, and a backpack. The male subject was armed with a black in color handgun, unknown make or model. No injuries were reported at the time of the incident, this investigation is still ongoing.
